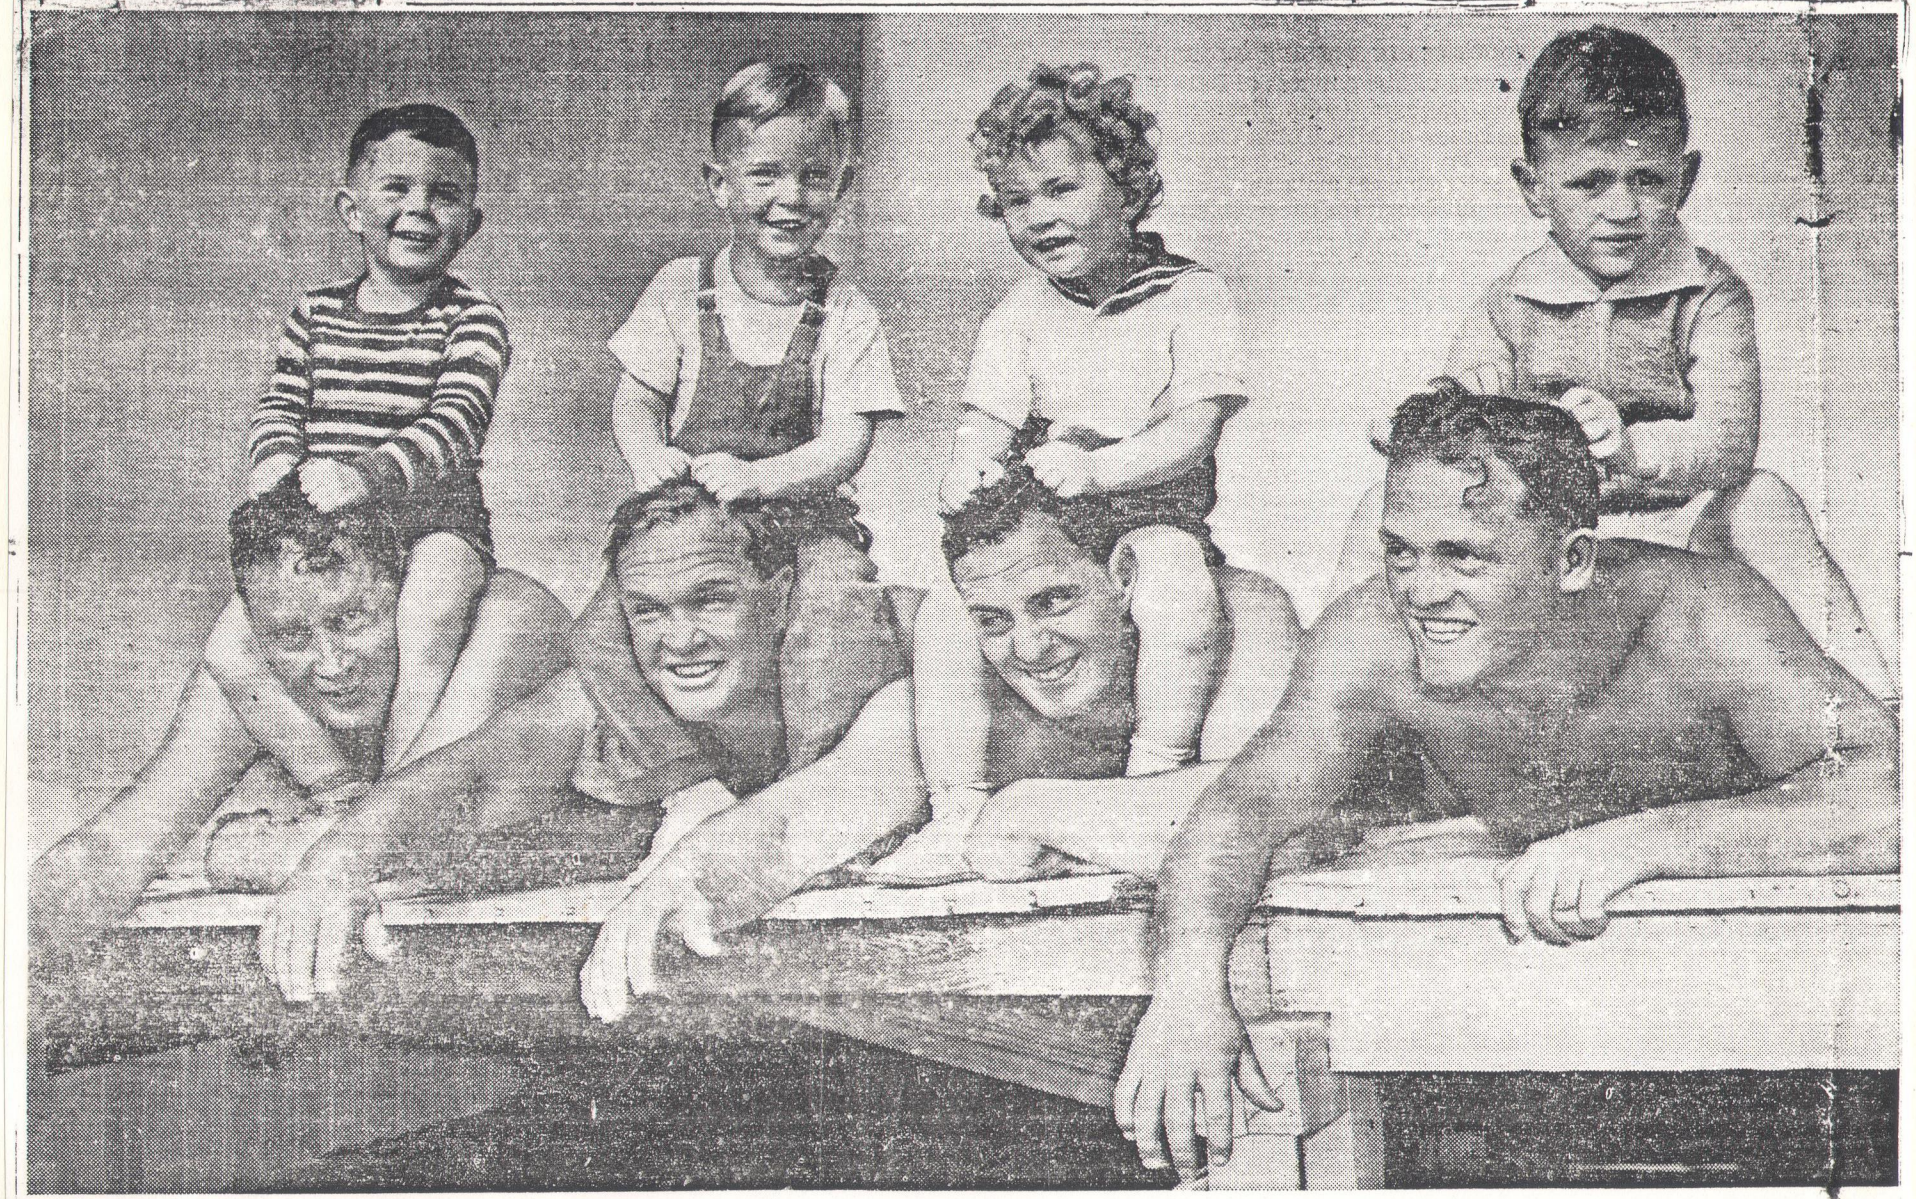
Riding The Old Man

THE CALL BULLETIN SPORTS

SAN FRANCISCO, TUESDAY, SEPTEMBER 3, 1940



If exercise will help these men train for their annual Golden Gate swim, the young "piggy-back" jockeys will see that their dads get it. From left to right are John McManus and son Jackie; John Marvin and son Pat; Joseph Bruno and son Joe Jr., and Don Baggiani and son Raymond. Boys gave dads exercise the other day before their elders hit the bay for drill for the twenty-third annual Dolphin Club swim to be held on September 15. The sons have a sneaking suspicion their dads can't take it. —Call-Bulletin Photograph.
